Waiting for account.microsoft.com...

A screenshot of a web browser displaying the Microsoft account sign-in page. The browser's address bar shows the URL 'account.microsoft.com/account/Account?ru=https%3A%2F%2Faccount.microsoft.com%2F&dest=home.landing'. The page features the Microsoft logo and navigation links for 'Account' and 'Help'. A large heading reads 'It's all here with Microsoft account', followed by a sub-header: 'Your account connects all your Microsoft apps and services. Sign in to manage your account.' A blue 'Sign in' button is centered on the page. A yellow hand cursor icon is positioned over this button, and a red arrow points towards it from the bottom right. On the left side, there are two overlapping rectangular boxes: a blue one with the word 'Select' in white and a purple one with 'Sign in' in white. The browser's status bar at the bottom indicates 'Waiting for account.microsoft.com...'. A 'Feedback' link is visible in the bottom right corner of the page content.
